Faringdon Town Council (FTC) Community Infrastructure Levy (CIL) Working Party (WP)

1. What is CIL?

CIL is a payment made by developers building in Faringdon to Vale of White Horse District Council (VoWHDC) and FTC to help provide or improve facilities within the town.

CIL should be spent on facilities including (but not limited to):

- Community facilities and infrastructure
- Play areas
- Green spaces
- Sport/recreation and open spaces
- Roads and other transport
- Schools and other education
- Health

CIL can be used to increase the capacity of existing infrastructure or to repair failing infrastructure, if it is needed to support development.

The size of the CIL pot is determined by the size of the development and what is being built. CIL money is not paid on affordable housing. FTC currently receives 25% because an adopted Neighbourhood Plan is in place. Funds must be spent within five years or paid back to VoWHDC.
