

Lucy Martin  
Faringdon Town Meeting  
May 2021

# Tuckers Park

## Annual Report

The past twelve months has been an unusual time for Tuckers Park and the clubs that are based there. All activity was suspended according to government guidelines throughout much of this period.

### Faringdon Town Football Club

The football club has weathered the enforced period of inactivity partly due to the receipt of grants from the District Council, the FA (for pitch improvements) and S106 monies (for club house refurbishments). Training sessions resumed on 29th March.

### Faringdon Judo Club

The Judo Club has been suspended since November 2020, but anticipates a return to classes in May or June. With luck it is hoped that the club will be able to offer five weeks of classes before the school holidays when they will move to summer courses.

Throughout lockdown the Judo Club have been looking after the building interior while the Football Club have maintained the outside.
