

Faringdon War Memorial Trust

The war memorial (Old Town Hall) has been shut for most of the last year but exciting things are about to happen!

Within the next few weeks work will start on a major refurbishment!

This includes a new lift and many other interior improvements. However the outside is not to be forgotten! Scaffolding will go up in June and the entire building will be given a facelift (complete repaint) which will brighten up the Town Centre.

Cllr Peter Castle

Chairman, Faringdon War Memorial Trust
