- Notes:
- Closure and diversion signage to be installed as per the requirements of TSM chapter 8.
  - Advanced warning signs (T) to be installed at closure extents 2 weeks before closure dates.
  - Diversion signage is shown indicatively for TTRO purposes only. TM contractor to provide Diversion signage drawing to TSM Chapter 8
  - Diversion signage locations are shown indicatively only and should be located to avoid obstructing sightlines and NMUs. All signage to be secured on level ground and weighted down with sandbags.
  - Closure signs (red) to be removed between shifts. Diversion signage may remain in place
