12/1/22 Planning Applications to Vale of White Horse District Council awaiting comments from Faringdon Town Council. Members received and considered the following applications:

- a) P21/V3520/FUL (Full Application) Proposal: Application for the redevelopment of an existing redundant site for mixed use residential and retail development, including the provision of

parking, refuse and cycle storage and associated works following partial demolition of the existing retail Unit. Address: 3-7 Marlborough Street Faringdon SN7 7JE

Address: 3 Cornmarket Faringdon SN7 7HG

Members listened to a presentation on these two sites from Jonathan Headland from the developers, West Waddy. He reported that the owner of the old Budgens site had received planning permission to convert this to houses, flats and commercial use on the ground floor but then bought the Red Lion site when that came up and has now commissioned this overall plan for both sites with the intention of reinvigorating this section of the town. The following points were raised by members:

- i. Parking should be 1+ space per flat, contrary to VWHDC Officer advice.
- ii. Solar panels: an amendment to include solar panels is being submitted and residents would benefit from any feed-in tariff.
- iii. Bad pavements alongside: These are the responsibility of OCC but developers would do all they can to ensure this area is tidied up.
- iv. The question of the Red Lion remaining a pub, was discussed at length. Members expressed disappointment at the loss of an historic pub but appreciated that evidence had been presented that a pub was not currently viable. However, ensuring the ground floor unit remained as a commercial space retained the option to return to a pub in the future. The current proposal is for a café/artisan bakery style premises with an outdoor area.
- v. Two further retail spaces: members commented that it would be good to have a convenience store and an ATM. The ATM had been promised and could be in one of the retail units.

It was PROPOSED that Faringdon Town Council **SUPPORT** the application. This was SECONDED and RESOLVED.
