15/2/22 Fernham Road Footpath

The owners of the 'ransom strip' have said they will be happy to give permission for the footpath. OCC will pay for putting in the footpath if Faringdon Town Council will pay the legal fees. These have been estimated to be around £1600. Members commented that footpaths such as this should not be paid for by the taxpayer in this way and there is a need to anticipate such paths being necessary on new developments in the future to prevent ransom strips and this scenario happening again. Clerk reported that OCC said they might put in the footpath at the same time as putting in a refuge on the A420 crossing at Little Coxwell. This item to be followed up at Full Council.

18/1/22 Items for Next Agenda

Connecting footpaths.
