Annual Appraisals are an essential component of Faringdon Town Council's performance management framework and are supported by regular support and supervision sessions between line managers and their employees throughout the course of the year. The appraisal scheme allows for every employee to be formally appraised with their line manager through a structured discussion on work performance over the previous year and which,

must also incorporate the employee's learning and development needs for the following year. It is an opportunity to build on strengths and address areas, which require support, thereby enhancing the potential skill base of the individual employee.

The purpose of the Appraisal process is:

- to develop and support all employees to carry out their role effectively, meeting competencies set out by the council
- to ensure staff deliver the Council's priorities as set out in the Strategic Plan

A full Appraisal is carried out by line managers through discussion with each employee on an annual basis; a Personal Development Plan for the year is then created.

- The form in the annexe will be used for all appraisals.
- The Town Clerk's appraisal will be carried out first then other staffing levels.
- All appraisals will need to be completed by October 31st to feed into budget planning
- All performance and development appraisal procedures must ensure that the Council's vision, values and objectives are translated into personal, and, where relevant, team objectives and competencies.
- Appraisers must ensure that all appraisal processes are fair and equitable for all appraisees and that they are applied in line with the Council's Equality and Diversity Policy and Guidance.
- Formal disciplinary and grievance issues are not to be part of any performance and development appraisal procedure and will be dealt with separately

One-to-one process
