8/4/23 Three yearly tree survey

Members NOTED implementation of the three-yearly tree survey

9/4/23 No Mow May

Members received and considered areas to be left uncut to encourage wildflowers and wildlife. An area at the back of All Saints' Churchyard is currently managed by twice annual cuts and planting of yellow rattle to encourage wildflower growth and insects, butterflies and bees.

Members agreed that FTC should adhere to No cutting until the end of May in this area and afterwards cut sensitively to leave as much flora as possible whilst also enabling the churchyard to look tidy and cared for.

10/4/23 Town Park

Members received and considered initial quotes for the Town Park refurbishment. Members PROPOSED, SECONDED and RESOLVED that the Facilities Officer create a project plan for the refurbishment of the Town Park whilst also checking the status of FTC's lease on the park.

11/4/23 Corn Exchange

- i. Members PROPOSED, SECONDED and RESOLVED that the Facilities Officer should draw up a project plan for refurbishing the Corn Exchange and then progress to quotes for recommendation to Finance and full council for funding options, this on the basis of ensuring that any necessary external work highlighted has been completed.
- ii. Cllr. Wild PROPOSED, Cllr. Leniec SECONDED and it was RESOLVED to delegate authority to the Clerk to authorise the cost of replacement of the fire alarm system in the Corn Exchange from the maintenance budget, in consultation with Chair and Vice Chair
- iii. Members PROPOSED, SECONDED and RESOLVED that the Facilities Officer should obtain quotes for the next meeting for replacing the glass side door of the Corn Exchange with one that meets fire regulations.
- iv. Cllr. Wild PROPOSED, Cllr. Leniec SECONDED and it was RESOLVED to delegate authority to the Clerk to authorise the cost of clearing and tidying of the electric wiring behind the stage in the Corn Exchange from the maintenance budget, in consultation with Chair and Vice Chair

12/4/23 Solar power at the Pump House

Members received and considered quotes for the installation of Solar panels for the Pump House on the roof of the Old Theatre (The Pump House Project). Cllr. Leniec PROPOSED, Cllr. Wild SECONDED and it was RESOLVED to agree in principle to the installation of solar panels. Members agreed that the Facilities Officer should enquire about potential benefits of including a heat battery to reduce the use of and the cost of gas.

The current lease on the Pump House expires in 2036 and therefore has 13 years remaining and members agreed that FTC should be liaising with the landlords, The Collection Trust.
