

## INVITATION

Abei Energy Ltd are proposing to build a ground mounted 41MW solar PV installation (solar farm) and a Battery Energy Storage System together on a site about 500 metres to the northwest of Coleshill village. The proposal will include significant ecological enhancements and a shared agricultural grazing land use.

We will be holding a public drop-in exhibition at:

**The Timber Store (National Trust), Old Carpenters Yard, Coleshill  
Between 3pm to 8pm on Tuesday 17<sup>th</sup> September 2024**

We would be delighted if you can attend to learn about the project and ask members of the Abei Energy team any questions you may have.

We will be submitting a planning application in late 2024 / early 2025 so any comments or questions will be most welcome beforehand so we can take them into account.
